## VINTAGE DESIGN MEETS 21st CENTURY STYLE

We've created G Plan Vintage, a stunning range of furniture inspired by our design heritage. It's a collection that embraces the quality and craftsmanship of G Plan, along with Hemingway's fresh and vibrant approach to vintage projects.

## GREAT & BRITISH

At G Plan we're extremely proud of what we do. Tracing our history all the way back to 1898, we create stunning handcrafted furniture, with every piece made to order at our Wiltshire base. Over the years G Plan has created some of the most enduring and iconic furniture of the 20th Century - something that we still aim for with every piece we create today.

In 1962 we created an iconic swivel chair. It was aptly known as 'The World's Most Comfortable Chair'. And now, renamed as The Sixty Two, it's distinctive winged design, soft foam cushioning and deeply buttoned back, provide the ultimate in comfort. For added luxury it rocks and swivels too. It's a chair that merits its original title. This product is available in both fabric and leather.
